

GEOVAR KIERK F. LATONIO

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Hardworking and detail-oriented Information Technology graduate looking for an entry-level job. I have basic computer skills, know how to troubleshoot simple problems, and can use different kinds of software. I am willing to learn, help with daily tasks, support the team, and do my best to make work more efficient and organized. I am eager to learn new things, like an empty cup ready to be filled with knowledge and experience.

WORK EXPERIENCES

Davao del Sur State College | December 2024-April 2025
BSAIS Program Head Assistant (On The Job Training)

- Designed materials such as brochures, T-shirt layouts, and calling cards to support institutional events and promotions.
- Assisted academic staff with clerical and administrative tasks to support day- to-day operations.
- Assisted the BSAIS Program Head in organizing documents, filing academic records, and preparing materials for meetings and evaluations.
- Helped in internal auditing tasks and supported ISO-related documentation to ensure compliance with school quality standards.

Music Tutor | September 2021-October 2024

- Served as a music tutor for both full band and marching band, providing instruction in instrument techniques, music reading, and group coordination.
- Guided student performers during practices and events, helping improve their musical skills and overall band performance for school programs and competitions.
- Provided one-on-one home tutoring by creating personalized lesson plans, teaching various academic subjects, and tracking student progress with regular feedback to support their learning and development.

Panaptonan Packer | June-August 2021

- Assisted in packaging uniforms for DepEd teachers, ensuring accuracy and completeness of each order.
- Handled order sheets and coordinated with fellow packers to ensure the correct items were packed and prepared for distribution.
